HOW IT WORKS

Register at 9 a.m.

Photograph as many images as possible using your digital camera (minimum exposure size of 640x480 at 72dpi). Photograph anything within the boundaries of this map. A self-portrait must be photographed and entered with your images.

Download your images. Meet at the registration site between 1:00 and 1:30 p.m. and Urban staff will download images while you wait.

Select your 10 favorite photos. Email the image numbers to Urban Photo staff for uploading to the web site for viewing and voting.

Deadline for image selection is Tuesday, June 19, 2007.

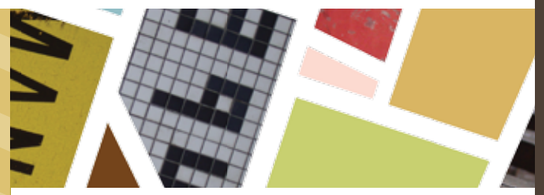

Vote for 10 of your favorite images. You may not vote for any of your own images. You may only cast one vote per image. Voting takes place June 22–25, 2007. Winners announced at urbanphotosafari.com.

Added Bonus!
Each participant will receive a FREE disc containing all images taken during the competition. These images may be used royalty free* for any purpose or project.

Participants must sign a waiver releasing all rights to their images. See Registration table for details.
